Il cestino portauova

Il coniglietto fisarmonica

Materiale occorrente:

FORBICI, CARTONCINO BIANCO E ROSA A 4, COLLA STICK, COLLA VINILICA

- 1 Ricava da un cartoncino bianco, o a tua scelta, quattro rettangoli.
- 2 Inizia piegando ogni cartoncino a fisarmonica, poi piega ognuno in due parti.

- 3 Crea ora il muso del coniglietto, ritagliando un cerchio e la forma delle orecchie, aiutandoti con le forme da noi fornite.

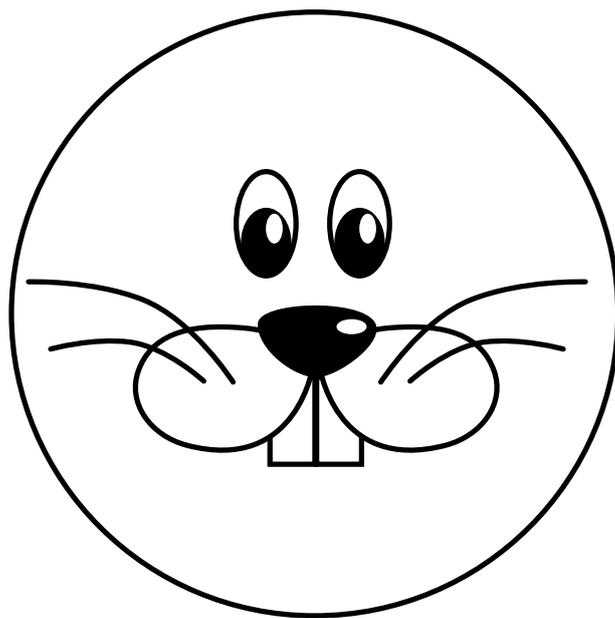

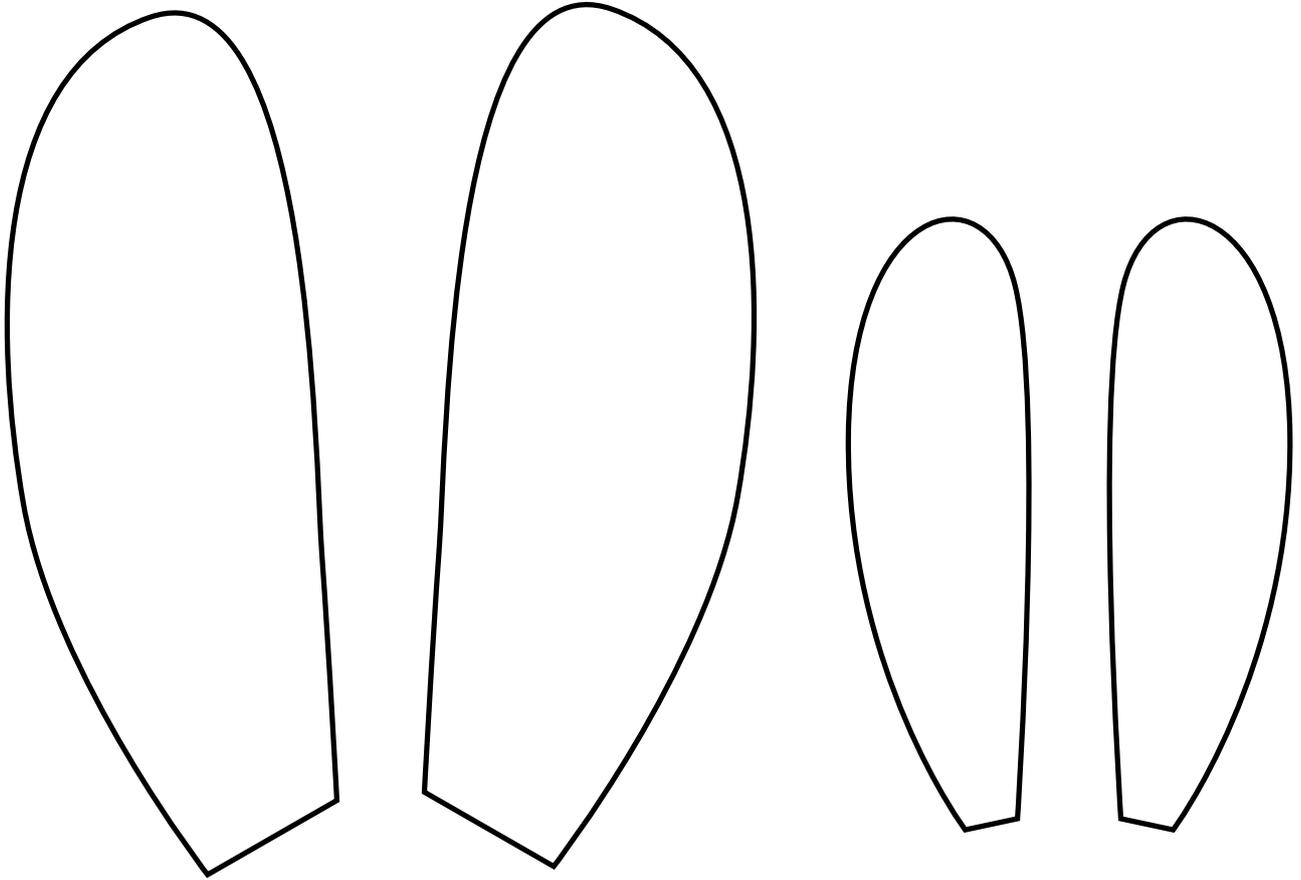

- 4 Ora unisci le quattro parti, incollando tra loro le estremità di ogni ventaglio.
- 5 Incolla al centro del ventaglio gli elementi del musetto

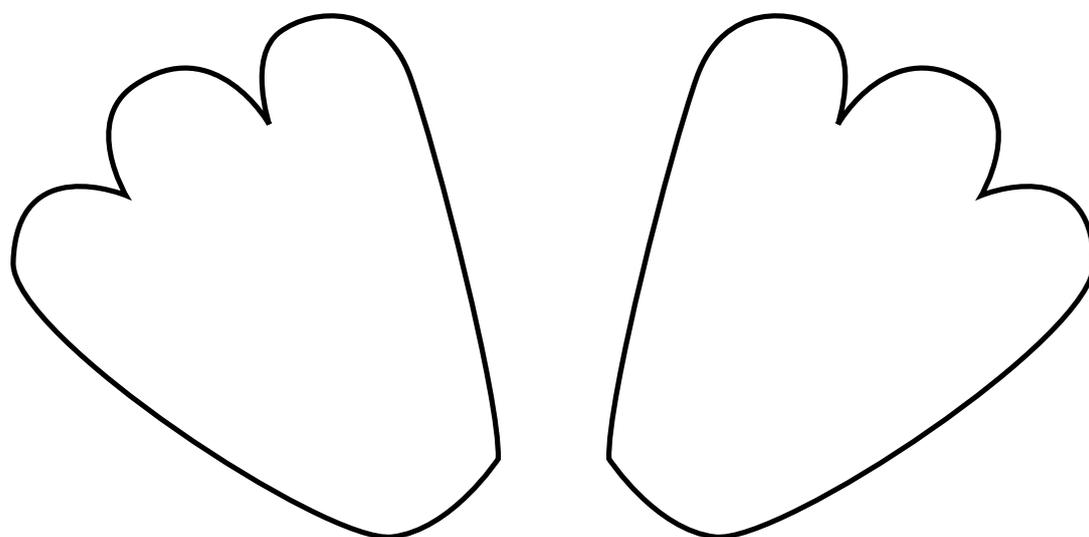

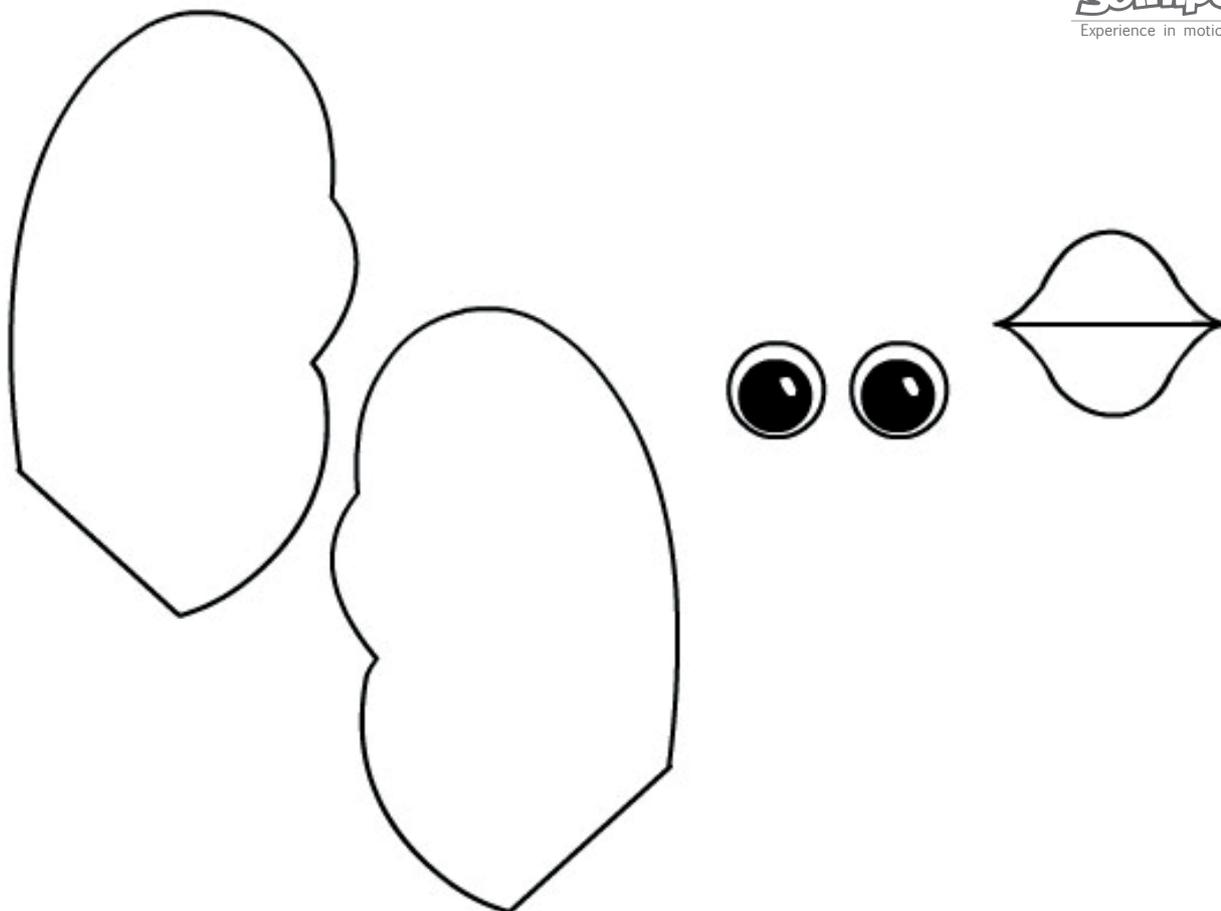

- 6 Non ti resta che disegnare al coniglietto un simpatico musetto, o utilizzare il modello a fianco

Il pulcino fisarmonica

Il pulcino fisarmonica

Materiale occorrente:

FORBICI, CARTONCINO GIALLO E ARANCIO A 4, COLLA STICK, COLLA VINILICA

1 Ricava da un cartoncino giallo quattro rettangoli.

2 Dopo aver piegato a fisarmonica le 4 parti, unisci tra loro le rispettive estremità. Otterrai un ventaglio circolare.

3 Utilizzando i modelli nella pagina a fianco, traccia gli elementi del pulcino sul cartoncino giallo e arancione e ritagliali.

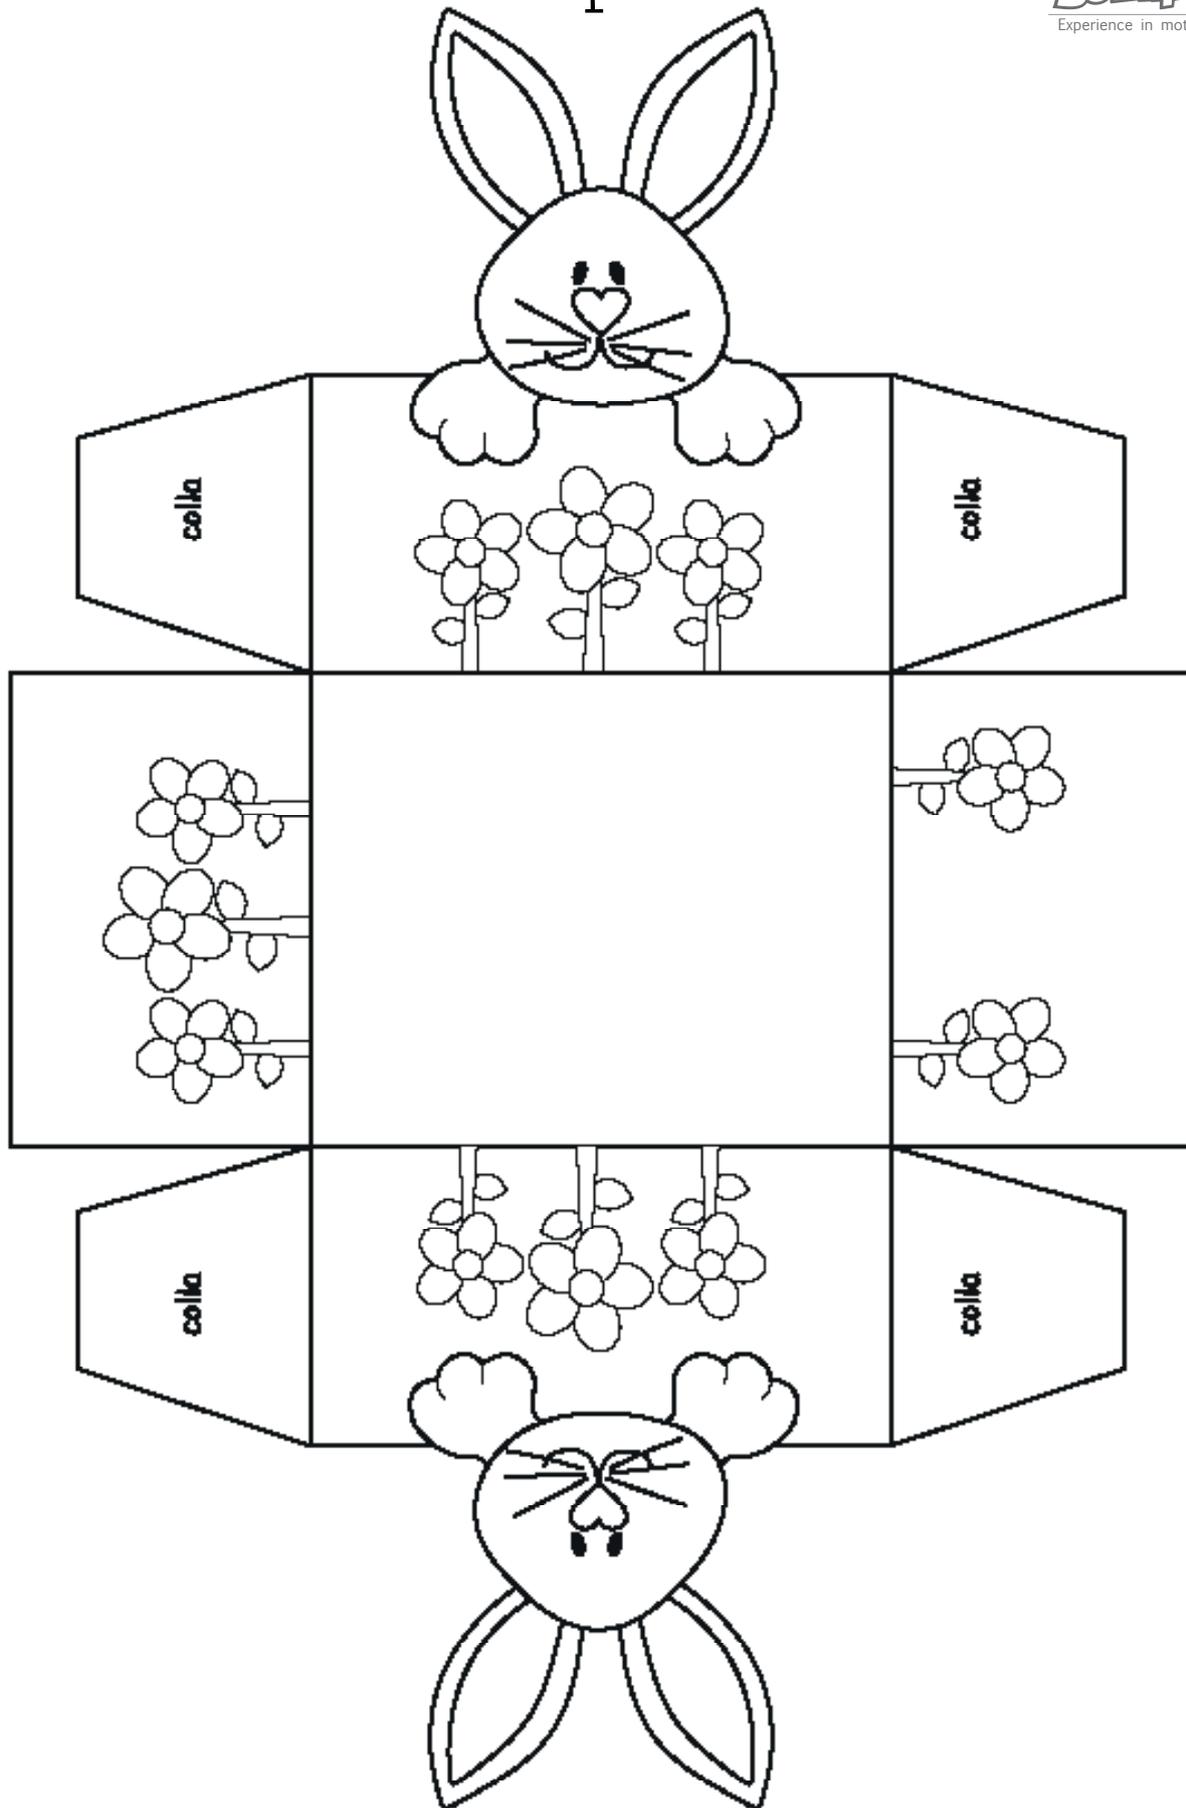

4 Applica, aiutandoti con della colla vinilica, le forme ottenute sul ventaglio circolare, e il tuo pulcino fisarmonica è pronto!
